

Minutes of the Town Board Meeting of the Town Board of Riverhead, held in the Town Hall, Riverhead, New York, on Tuesday, June 7, 1977 at 7:30 P.M.

Present:

Allen M. Smith, Supervisor  
George G. Young, Councilman  
Francis E. Menendez, Councilman  
John Lombardi, Councilman  
Jessie Tomlinson, Councilwoman

Also present: Peter S. Danowski, Jr., Town Attorney  
Alex E. Horton, Supt of Highways

Supervisor Smith called the Meeting to order at 7:30 P.M. and the Pledge of Allegiance was recited.

Supervisor Smith: "As a preliminary matter before we get to the meat of the evening, I know that some of you from Wading River would be interested in knowing there's been a decision made in Haugaard versus the Town Board.

The long and short of it is that the particular procedure that we adopted and still believe is correct, has been turned down by the court. The decision reads that the roads must be built to Town specifications and suggests that what is in order is that the various and sundry residents abutting such roads have to petition the Town Board for their improvement.

That presents certain difficulties. In Timber Park, for instance, we have in several letters from people who say they won't petition the Town Board. This is the kind of problems we have been talking about, but at this point it won't happen.

We have the various Department Heads present and should occasion arise during the evening you have a question with reference to their particular departments, we'll ask them to answer them."

COMMUNICATIONS

Wading River Fire District, dated 5/24/77, submitting certificate of the establishment of a hydrant zone in the Wading River Fire District and describing the boundaries thereof. The hydrant zone is entirely in the Town of Brookhaven. Filed.

Two communications from Department of the Army, N.Y. District, Corps of Engineers, dated May 23, 1977 relating to application of Town of Riverhead for bulkhead and fill and pier construction work to be done at the Peconic River and Flanders Bay waterway, Riverhead, N.Y.

Public Notice No. 8947 - Description of Work

It is proposed to place approximately 300 cubic yards of fill material into a Phase II waterway of the United States in connection with a proposed bulkhead extension and access foot-bridge.

Public Notice No. 8948 - Description of Work

The applicant proposes to extend and repair an existing bulkhead and construct a floating pier with a hinged ramp.

Approximately 530 feet of bulkhead is to be constructed in two sections located as shown on the attached plans. The top elevation of the bulkhead will extend approximately 6 feet above the plane of mean low water. Approximately 500 cubic yards of clean fill material is to be placed behind the proposed bulkhead. The floating pier will extend a distance of approximately 40 feet offshore of the existing bulkhead. The float will be about 120 feet by 20 feet.

The purpose of the work is to maintain the public park along the river and to construct a town pier for recreation purposes.

Any criticism or protests should be prepared in writing and mailed to Corps of Engineers Office prior to June 23rd, 1977. Filed.

Assemblyman Perry B. Duryea, acknowledges receipt of resolution re Senate bill S-131 relating to Assessors Legislation. Filed.

Donald A. Denis, A.I.A., P.C., dated May 10, 1977, requesting Town Board to consider modification of the recently enacted regulation relating to "Off-Street Parking", subdivision J., Self-Contained Drainage. Filed.

Riverhead Central School District, submitting certified copy of resolution relating to the Real Property Tax Law, stating that the Board of Education is of the opinion that no such exemption should be granted. Filed.

COMMUNICATIONS - continued

Riverhead Town Planning Board, dated 6/3/77,

1. On referral of Port Washington Lumber Co., Inc., for a Special Permit to operate a wholesale lumber facility on Kroemer Avenue, Riverhead. The Planning Board approved the subdivision of this lot with certain conditions and recommends the granting of the Special Permit.

2. On referral of Bruno Tarabocchia for Special Permit to change service station to a garage on Main Road, Jamesport. The Planning Board recommends the Special Permit be granted with the provision that the petitioner complies with the plan as submitted. Filed.

J.D. Shelton, Box 17, Second Street, So. Jamesport, N.Y., Requesting street light on Pole #435 on Second Street, So. Jamesport, for the reason that they have had an increasing number of break-ins and the light would be of tremendous help. Filed.

Referred to Councilwoman Tomlinson.

PETITIONS

South Jamesport Boat Marina, Inc., Special Permit to operate a restaurant and snack bar at Marina. Filed.

Referred to Planning Board.

A. Anthony at Wading River, Inc., Special Permit to erect a free standing sign. Not a permitted Use.

Supervisor Smith then stated: "The second petition is not a permitted use either special or otherwise, it is, therefore, illegal."

PERSONAL APPEARANCES

Supervisor Smith: "Ladies and gentlemen we now come to that portion of our agenda where we will listen to any of you who choose to address the Town Board with reference to any matter.

For those of you who have not appeared before the Town Board, I would ask you please to use the microphone that's up here at the podium and give Miss Block your name and address before you begin to speak. Does anyone choose to address the Town Board at this time?"

PERSONAL APPEARANCES - continued

Jim Ryan, Benjamin Street, Wading River; "Just briefly in anticipation of the Thursday night meeting at Wading River, I would like to reiterate the unanimous opposition of the eight families of Benjamin Street to the potential use of our street for a route for Shorewood Water Company - the water main. I will go into this further on Thursday night, but I just wanted to re-establish that point."

Supervisor Smith: "All right, Mr. Ryan. I would do this one thing in addition. I would caution you on Thursday evening if you wish to make a record at the Public Hearing, it's at that time, that you should specify whatever your objections are and lay them out nice and neat."

Jim Ryan: "Now a second brief point interrelated to that. We discussed this with Mrs. Tomlinson at my home in April and that is the legal status of Benjamin Street as a private road. We have x number of opinions, different opinions at different closings, different legal opinions. I would like to know if it would be possible for the Township - Town Attorney to come up with some kind of opinion, ruling, or whatever as to the legal status of Benjamin Street as a private road. Who's hands is it in, whatever?"

Supervisor Smith: "Mr. Ryan do you happen to recall when you bought your house did you obtain something that's called title insurance?"

Jim Ryan: "Absolutely."

Supervisor Smith: "Could you contact Mr. Danowski or myself and what we need from you is the name of the Company and the title number. That should simplify the exact status of that roadway."

Jim Ryan: "I bring this point up, Mr. Smith, because on the deed it specifically points out dimensions - lot size dimensions and yet other people on the block were told no, you own half way across in front of your house - it's a legal nightmare perhaps - I don't know. We certainly would like to get it cleared up for once and for all if possible."

Supervisor Smith: "Sometimes when you scratch a surface it doesn't lend itself to being cleared up but we will try to find out what the status of the roadway is among other things, because it does pertain to what we will do Thursday evening."

Jim Ryan: "Again keeping in mind the letter that we submitted to the Board last month. Thank you very much."

PERSONAL APPEARANCES - continued

Supervisor Smith: "Does anyone else choose to address the Town Board on any matter?"

Elmer Normandin, Jamesport, Herricks Lane; "I also represent the Riverhead Rifle and Pistol club. I am President. I wish to address the Town Board on a matter that was brought up at the last meeting with property in Calverton. Since the time of the last Town Board meeting Mr. Kart has received in the mail from the Building Department of the Town of Riverhead a cease and desist order for the illegal operation of a range on Deephole Road in Calverton. I wish to state at this time that at no time has the Riverhead Pistol and Rifle Club operated a range anywhere in the Town of Riverhead at any time.

We have returned the cease and desist order to the Building Inspector with our objections wishing it withdrawn, feeling it is a blanket accusation of us committing a crime. You cannot legally discharge a hand gun, any place, on Long Island unless it's on an authorized range. We do not own the property in Calverton. We are negotiating to buy it.

At this time the only thing we are presently doing is we have Mrs. Danowski's permission to store some lumber on that property and this is all that is being done. The Riverhead Pistol and Rifle Club Range Facilities and all matters concerning the Riverhead Pistol and Rifle Club are held at the Riverhead Armory on Route 58 in Riverhead. It is all done indoors.

We lease the range from the State of New York two nights a week. But we have not received an answer from the Building Department on whether this cease and desist order is to be withdrawn."

Supervisor Smith: "Yes, Sir. What you're saying is there's nothing to cease and desist from."

Elmer Normandin: "The other thing is like someone coming up to you and saying have you stopped beating your wife. We really are not in that position and if anything should happen in that area, if kids should come down and shoot and somebody gets hurt, we now have on the record of the Town of Riverhead that we have been served a cease and desist order for operating a range down there and this is not a fact. It is indeed a false accusation Sir."

Supervisor Smith: "Anyone else choosing to address the Town Board on any matter?"

William Nohejl, Wading River, Long Island Farm Bureau; "Ladies and Gentlemen of the Board, I don't know if you heard the news that Southold just voted six to nothing against the Nuclear Power Plant. We strongly urge this Town Board to reconsider it's thinking before it's too late.

PERSONAL APPEARANCES - continued

William Nohejl continued saying: "They voted it down on the health and safety aspects of the plants. I know that you gentlemen should go home and do some heart and soul searching. It's not above us to reconsider and change our mind. Again I strongly urge you to reconsider."

Supervisor Smith: "Anyone else?"

Paul Meyer: "I'm just curious regarding the monstrosity across the street known as the Raspberry Hilton if any action has been taken against it and what. . . ."

Supervisor Smith: "There's a resolution later on this evening Mr. Meyer calling for the map hearing."

Charles Trinowski, Calverton; "My question to the Board is in regard to two what I feel are hazards in the area of Calverton. One of them is the unfenced in-area around the Town Dump there is a sump there and the second one is the large amount of sand that is allowed to accumulate at the intersection of Osborne Avenue and Youngs Avenue."

I believe that's the same place we had a lawsuit brought against the Town last year when the lady fell off the bicycle and broke her leg. That condition is again occurring and I wouldn't want to see the Town get in jeopardy again."

Supervisor Smith: "Mr. Trinowski on the one item of the fence, Mr. Alden Young has drawn the specifications for the letting of the bids with reference to the fencing of the sump at the Town Dump. Mr. Horton would you look into the other matter."

John Lickun, Riverhead; "Gentlemen of the Board, Ladies, what I'd like to know - one question - How come the Town of Riverhead has the highest crime rate of all eastern Towns on Long Island? May I also add a second question and a third. Why is the moral of the Riverhead Police Force so low at the present time? Why is the Town of Riverhead protected by only one Police car at night at times? That's kind of a bunch of questions, but I'd like it to basically revolve around the crime . . . ."

Supervisor Smith: "Which statistic are you quoting Sir, when you say we have the highest rate."

John Lickun: "I believe it has been quoted in the 'News Review'. It's been quoted elsewhere, that of the eastern Towns, that we have the highest crime rate."

Supervisor Smith: "That statistic if you're relying upon the 'News Review' article was in part given during the labor negotiations, and I think if you were present you would have found out that that statistic as quoted segregated from the other communities or sister communities in the east end,

PERSONAL APPEARANCES - continued

all of the statistice with reference to villages that occur in the other communities on the east end. So on that one you have to get your figure straight. Now with reference to moral - Doc."

Councilman Menendez: "Mr. Lickun I don't know how long you've been around here. . ."

John Lickun: "Five years."

Councilman Menendez: "But - five years that's a short time. The moral of the Riverhead Police Department has never been as high as it is right now. You haven't been around here really long to know how low it can get. These fellows are going to work, doing their job, and they're happy at it and the Police Chief will back me up on that statement."

John Lickun: "May I interject?"

Councilman Menendez: "Yes, Sir."

John Lickun: "I believe back - I might be wrong on this time span - I believe back around six months ago the Riverhead Police were in negotiations with the Town concerning wages."

Councilman Menendez: "That was maybe a year and a half ago - it's been going on ever since."

John Lickun: "What I'm saying is it's gotten pretty much settled. Six months ago or there approximately it's been going on for quite a while. I believe the Town came across and mentioned they were going to lay off a number of the Police Force if a wage the Town could not afford was enforced they would have to lay off some Police Officers. Is that not true?"

Councilman Menendez: "You are about six months behind schedule, Sir."

John Lickun: "Forget time. Is this not true what I'm saying?"

Councilman Menendez: "It was true at that time, yes, but did not transpire. Those Policemen held their jobs - no one lost their jobs."

John Lickun: "Was not the moral of the Riverhead Police Force damaged because they were put into a situation of saying they were entitled to higher wages then they would lay-off the lower men on the force? That is why the moral of the Riverhead Police Force is kind of low."

PERSONAL APPEARANCES - continued

Councilman Menendez: "Mr. Lickun the fighting went on for a year and a half with the police - that is over. Their moral is up, they're doing their job. Both sides are happy."

John Lickun: "Can somebody answer me on the last one. Why is the Town protected at times? I didn't say always by only one Police Car for Jamesport, Riverhead, and Wading River?"

Councilman Menendez: "That is absolutely untrue. There are sectors in this Town - five sectors and each one has a car in it at all times."

John Lickun: "At all times. If I could prove differently . . ."

Supervisor Smith: "Mr. Lickun . . ."

Councilman Menendez: "You prove it."

Supervisor Smith: "Sir, I have a habit that the Police Chief may or may not like or some of his men may or may not like of getting up at night and going out finding out whether things like you allege is in fact true."

In fact, in the middle of the night last Saturday I was out on the road finding out where people were and especially in Wading River where there has been complaints. Sir, I have not to date gotten up in the middle of the night to find that there is only one active patrol in this community."

John Lickun: "I don't deny you have not gotten up at some point and I'm not trying to suggest at all times we're protected by one squad car at times there are three squad cars, one for each sector."

Councilman Menendez: "There are five sectors Sir, and possibly a sixth coming up."

John Lickun: "What I am trying to point out is and something I imagine the rest of the residents of Riverhead feel is that the crime rate in Riverhead partially 821 problem, partially we do not have enough Police to protect this Town. And gentlemen that is what I'm bringing up."

Supervisor Smith: "You're saying Sir you would like an expansion of the Police Force to some degree?"

John Lickun: "What I would like is an expansion of the Police Force and what I would not like to see in the future is where the Police Force is used as a pawn situation in negotiations namely where you wreck the moral of most of the

PERSONAL APPEARANCES - continued

Police Force by holding over their heads if you do get a fair wage then in turn we'll lay-off your buddies on the bottom of the list and this is what was done. . . "

Supervisor Smith: "Mr. Lickun then whatever the price comes out to be for anybody's salary - you as one taxpayer in this community are prepared to pay it. Is that correct?"

John Lickun: "I did not say that. I said we depend upon Police protection and we depend upon Town Government to make sure we have it and what I read in the papers and hear going on, I don't feel that well protected. I like to feel assured the Town Government is doing everything possible to make sure I am well protected as a taxpayer."

Councilman Menendez: "Mr. Lickun where do you live, Riverhead?"

John Lickun: "I do not live in Riverhead."

Councilman Menendez: "I thought so."

John Lickun: "I own two businesses in Riverhead that both pay taxes on both businesses."

Councilman Menendez: "You own the Texaco Stations, do you not?"

John Lickun: "I pay taxes."

Councilman Menendez: "Well isn't it a fact that possibly it might be that you are here to bust our chops in relation to a sign ordinance that you got called in on."

John Lickun: "Break your chops, no - I'm basically. . ."

Councilman Menendez: "You're going back into ancient history."

John Lickun: "No I'm just bringing up subject matter that maybe - should be brought up for the simple fact of life that people have a tendency of letting them slide. We do not have very good Police Protection and it is not the fault of the Police Department. It is the fault of other people playing games with it and maybe if the people realize how low the protection is, maybe you would expand your Police Department."

Supervisor Smith: "Anyone else choosing to address the Town Board?"

PERSONAL APPEARANCES - continued

Michael Peretta, Wading River; "Just on a point of information. Sometime ago, I think there was some kind of a statement issued about an account of the storm that we had some time ago. The reason I ask that is because our beach is in very, very bad shape. All the beaches along our way are in a very - could we call on the Board of Engineers to make some kind of a correction?"

Supervisor Smith: "Mr. Peretta we filed for winter storm relief with the Federal Government under one of the programs similar to that (filed in the Office of the Town Clerk) - that we did with the hurricane last summer. The Federal Government has denied relief for this area because of the winter storm damage."

for a stipulated sum of Eight thousand five hundred and 00/100 (\$8,500.00) Dollars, in accordance with such other and further instructions, guidelines, etc., as may be established by the Town Supervisor from time to time.

Before the roll call vote Supervisor Smith made the following comment: "This is part of our continuing effort that may or may not be mentioned in the newspapers with reference to housing in the Town of Riverhead and is not strictly limited to 821 East Main Street. It is a study of who lives where, what housing is available, what housing is not available, how well it is kept, and who is living in it, etc., etc."

The Town Board has taken approximately two months to negotiate with this kind of a consulting contract and as I say as part of the effort the recent applications filed with reference to 821 or another aspect to it and probably one of the latter aspects but just as important is the code enforcement with the two new young architects in the Building Department."

The vote, Lombardi, Yes, Tomlinson, Yes, Menendez, Yes, Young, Yes, and Smith, Yes.

The resolution was thereupon declared duly adopted.

Councilwoman Tomlinson offered the following resolution which was seconded by Councilman Lombardi.

WHEREAS, This Town Board has previously authorized the firm of Young & Young to prepare a map for the acquisition of certain properties situate at Riverhead, New York, for public purposes included, but not limited to, slum clearance, and

WHEREAS, This Town Board has caused said map to be filed with the County Clerk,

NOW, THEREFORE, be it

RESOLVED, That this Town Board hereby authorizes the Town Clerk to notify by mail all the owners of the parcels to be acquired, as the same may appear from the records of the Tax Assessor, of a public hearing to be held in respect to the taking map, and be it

FURTHER RESOLVED, That notice of said hearing in reference to the map, shall be placed in the appropriate town and county newspapers, and be it

FURTHER RESOLVED, That the compensation to be made to the owners of the real property to be acquired shall be ascertained by the Supreme Court without a jury, and be it

FURTHER RESOLVED, Pursuant to Section 13 of the Suffolk County Improvement Act, that upon the date of entry of the Order granting the application to be made herein to condemn the real property in question, the title in fee to or in all those parcels of real property indicated on the above-mentioned map, and to be described in the petition to be filed herein, shall vest in the Town of Riverhead.

RESOLUTIONS - continued

The vote, Lombardi, Yes, Tomlinson, Yes, Menendez, Yes, Young, Yes, and Smith, Yes.

The resolution was thereupon declared duly adopted.

Supervisor Smith then stated: "What you've heard read, is the technical motion that sets in operation the mechanism under the Suffolk County Improvement Act for the acquisition of the property pursuant to the slum clearance program that we hope to institute in mid August.

It was subject to a couple of hearings before. What you see now is the legal thing starting - if anybody objects, the time to object is at the map hearing or you object to the size of the taking that's the time to object. And the other part of it was saying we're proceeding to condemnation that the values will be established by the Supreme Court of Suffolk County.

There will also probably be in this particular instance a determination by the Supreme Court of Suffolk County as to who really is the owner of this property."

Supervisor Smith called a five minute recess after which the Meeting resumed.

Councilman Young offered the following resolution which was seconded by Councilman Menendez.

WHEREAS, The contract between the Riverhead Unit of the Civil Service Employees Association provides that any employee absent by reason of medical disability shall supply the Supervisor with a written medical excuse after three (3) days, upon request of the Supervisor, and

WHEREAS, On May 19, 1977, the Town Supervisor did request Edward Fink to supply such a statement, and said statement has not yet been received,

NOW, THEREFORE, be it

RESOLVED, That the Supervisor stop further payment to the aforesaid employee until such time as he complies with the request for a medical report.

The vote, Lombardi, Yes, Tomlinson, Yes, Menendez, Yes, Young, Yes, and Smith, Yes.

The resolution was thereupon declared duly adopted.

Councilman Menendez offered the following resolution which was seconded by Councilman Young.

RESOLVED, That the Supervisor be, and he hereby is, directed to transfer Twenty thousand and 00/100 (\$20,000.00) Dollars from Federal Revenue Sharing, General, to LILCO Litigation, Capital Project.

The vote, Lombardi, Yes, Tomlinson, Yes, Menendez, Yes, Young, Yes, and Smith, Yes.

The resolution was thereupon declared duly adopted.

RESOLUTIONS - continued

Councilwoman Tomlinson offered the following resolution which was seconded by Councilman Lombardi.

WHEREAS, This Board has heretofore opposed Assembly Bill No. 3137-A, which would affect the position of elected Assessors in the Town of Riverhead, and

WHEREAS, That Bill has this day passed the New York Senate,

NOW, THEREFORE, be it

RESOLVED, That the Supervisor communicated this Board's opposition to the aforesaid legislation to the Governor of the State of New York, asking his veto of the same.

The vote, Lombardi, Yes, Tomlinson, Yes, Menendez, Yes, Young, Yes, and Smith, Yes.

The resolution was thereupon declared duly adopted.

Councilwoman Tomlinson offered the following resolution which was seconded by Councilman Lombardi.

WHEREAS, The Town Board has evaluated the position of Recreation Aide and the incumbent employee in that position, Michael Mayo, pursuant to the Salary Administration Program, and

WHEREAS, The Town Board, pursuant to said program, notes that the incumbent has a Bachelor of Arts and Science Degree in Physical Education from Howard University,

NOW, THEREFORE, be it

RESOLVED, Effective the pay period of June 20, 1977, the aforesaid employee shall be advanced in Group 10, to Step 5, at an annual salary of Ten thousand Eight hundred fifty-eight and 32/100 (\$10,858.32) Dollars.

The vote, Lombardi, Yes, Tomlinson, Yes, Menendez, Yes, Young, Yes, and Smith, Yes.

The resolution was thereupon declared duly adopted.

Councilman Young offered the following resolution which was seconded by Councilman Menendez.
